Memorandum.

I beg to submit for your perusal the Agent's letter of the 14th ultimo, hereunder, stating that Mr. D. B. VanHorn, the homesteader of the N. E. ¼ s--14--44, . 4th M., would like to have the fractional N. W. ¼ of this section lying east of the river added to his homestead, and that, if this were done, it would make the area of his homestead an even 160 acres and would permit of his obtaining a patent without a survey being made.

The land applied for is vacant in the records of the Department; and, as Mr. VanHorn's homestead would be brought up to the theoretical area of 160 acres by the addition thereto of such land, and in view of the fact that a homestead entry may include land on both sides of a stream, I beg to recommend that his application be granted.

The Agent states on file 855290 herewith that Mr. William A. VanHorn has made application to homestead the N. ½ of Legal Subdivision 6 and all of Legal Subdivisions 4, 5 and 12 of the said Section 6, and asks whether such application may be granted. This land is vacant in the records of the Department and is not railway land.

The Agent also states in his letter of the 14th ultimo on file 855227 herewith that Messrs D. B. and W. A. VanHorn would like to purchase jointly part of Legal Subdivision 11 and all of Legal Subdivision 13 of this section, containing 70 acres. The S. E. ¼ of Legal Subdivision 11 is reserved for stock-watering purposes, but the balance of the lands applied for are vacant in the records of the Department.

All the lands affected by these applications are shown on the sketch hereunder.

Should the applicants, however, be in a position to show that the land is of the nature mentioned in the Order-in-Council, the value of the reserve will be reassessed and it will be open to them to file letters of settlement to prove this.

MEMORANDUM:

I beg to submit the application of Mr.D.B. Vanhorn, dated March 11th last, in which he asks to have the East half of legal sub-divisions 3 and 6 in Section 6, Township 14, Range 24, West 4th Meridian withdrawn from stock watering reserve alleging that same is no longer of use for stock.

The land applied for is the only remaining portion of this Section not yet disposed of. It was originally a portion of a stock watering reserve but all the lands included therein have now been withdrawn and sold with the above exception.

The applicant has already purchased the following portions of this Section viz. L.Ss.9,10,11, 14,15 & 16 which appear on sketch hereunder hatched in green. Legal Sub-division 13 is owned jointly by Mr.D.B. and W.A. Vanhorn, the latter of whom is the owner of the following legal sub-divisions viz.2.5.4 and the west halves of 6 and 3. These also appear in sketch hatched in yellow.

Mr.D.B.Vanhorn does not state any reasons why he desires to have the land applied for withdrawn from stock watering reserve, but the presumption is that the said D.B. and W.A. Vanhorn are probably brothers and as they hold L.S.13 jointly, it may be assumed they desire to add the East of L.Ss.3 & 6 to their holdings.

MEMORANDUM:-

With reference to Mr.Oliddon's memorandum of the 23rd August last, (Marked), in relation to the application of Mr.D.B.Vanhorn, to have the E.½ of Legal Subdivisions 3 and 6, of Section 6, Township 14, Range 24, West of the Fourth Meridian, withdrawn from stock watering reserve, I beg to say that the Agent of Dominion Lands, who was duly instructed, in accordance with the decision, to obtain a report from a Homestead Inspector, now submits Mr.Homestead Inspector.Link's report, in which the latter states that," from my observations and information which I received from settlers in the vicinity it would appear that these fractions are no longer required for stock watering purposes".

The Inspector adds that as the available lands are all taken up by homesteaders and being largely cultivated, there is very litte open range, and not much stock in the vicinity.

The fractional Legal Subdivision in question, ~~which~~ is shown hatched in red on the sketch annexed hereto, Legal Subdivisions 9, 10, 11, 14, 15, and 16, which the applicant has already purchased, shown in green, and Legal Subdivision 13, owned jointly by Messrs.D.B. and W.A.Vanhorn, the later of whom is the owner of Legal Subdivisions, 2, 5, 4,and the West halves of Legal Subdivisions 6 and 3, shown in yellow.

It will be observed that it was pointed out that Mr.D.B.Vanhorn did not advance any reason why he desired to have the land applied for withdrawn from stock watering reserve, but the presumption was that Messrs.D.B. and W.A.Vanhorn were brothers, and that, as they hold Legal Subdivision 13, jointly, it might be assumed that they were desirous of adding the East half of Legal Subdivisions 3 and 6 to their holdings.

As the parcel in question was reserved for stock watering purposes, by an Order-in-Council, an Order-in-Council will be necessary for its withdrawal.

pre-emption N.W.¼ of
35-10-15-W. of 4th.

Residence has been performed on homestead and pre-emption as shown in red and black respectively, on form 46 hereunder. As will be seen the applicant claims 85 acres cropped, but his application for patent does not give any particulars as to breaking. His homestead was patented on the 15th of May 12, on which application shows 34 acres of breaking.

Should homesteader now be required to furnish a supplementary statement showing exactly what cultivation has been performed on each quarter section or do you think application might be accepted without any further explanation in the matter?

MEMORANDUM:

Mr. Lewis,

It is stated that the area cropped is on the homestead. It would, therefore, be necessary to have proof of ownership of the homestead as if he has sold the same it will be necessary for him to have fifty acres of breaking on the pre-emption. Advise him accordingly and, if he still owns the homestead, he should give a statutory declaration showing full particulars as to the area of breaking done in each year and if this declaration is satisfactory I think it might be accepted in connection with the application for patent.

Sir,

Referring to your application for patent for the N.E.¼ of section 33, township 11, range 24, W. of 4th Meridian which you hold as a pre-emption, I beg to point out that as it is stated that the area of 160 acres has been cropped on your adjoining homestead, it will be necessary to have the proof of ownership of the homestead for the years 1911 and 1912 forwarded. If this homestead has been abandoned, it will be necessary for you to give an option of purchase on the pre-emption. If you still own the homestead you should make a statutory declaration showing full particulars as to the area of breaking done in each year, and what proportion, if any, has been done on the pre-emption.

I may also point out that before your application can be finally dealt with, it will be necessary for you to complete the cultivation required on this pre-emption, in accordance with the records in the Department, as follows:-

1st instalment $[illegible] and interest, on account from the 14-3-11 to the date of payment.

Re: Account of John Wm. Backues
N.W. 35-10-15 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $257.43 were advanced to John Wm. Backues on the security of the N.W. 35-10-15 W. 4 and the S.E. 2-11-15 W. 4. A payment of $121.70 was received in 1923 and applied to the principal and interest. On the 30th of August 1923, authority was issued releasing the S.E. 2-11-15 W. 4 as security for the liens and the balance of the indebtedness has since remained as a charge against the N.W. 35-10-15 W. 4. The present standing of this account is:

Principal	Interest	Total
$171.50	$330.20	$501.70

The N.W. 35-10-15 W. 4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 4th of July 1923, and the land is still unalienated Crown land held in the right of the Province.

This quarter section is of low assessed value and is described as suitable only for pasture.

The land now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is presently included in a grazing lease issued in the name of a Mr. Peter Engleson, of Taber, Alberta. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

W.J. Taylor.

Ottawa, 2 November, 1954.

[illegible] 4.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

S i r;

I have the honour to acknowledge receipt of your letter of the 30th ultimo -355626- and in reply beg to state that the transfer from the Sisters of Charity of the North West Territories is not properly executed. The Act of incorporation of this community provides, as amended by section 3 of chapter 35 of the statutes of 1885, that deeds signed by the Superior and by one other member of the ~~Committee~~ of management of the district, and sealed with the corporate seal of the ~~Company~~ corporation, shall alone be binding on the corporation, and that none other shall be held to be the deed of the corporation. The transfer on the file is sealed with what purports to be the seal of the corporation, and purports to be executed by the corporation per Sister L.A. Dandurand. There is nothing on the face of the transfer to show that Sister Dandurand is the Superior of the Committee of Management of the district within the meaning of the statute, though in other papers on the file she is styled "Superior Vicar of the Sisters of Charity of the North West Territories". Neither is the transfer signed by another member of the Committee as required by the statute, unless D. J. McNamara who signs as witness is such a member.

In addition to these objections I beg to point out that a transfer in this form is only applicable to lands which have been brought under the Land Titles Act and of which the transferor is registered as owner; and further that in order to warrant the sale of these lands it is necessary that the Sisters of Charity as guardians of the infant, Alexandre McDonald, should be authorized by the court to sell them. MEMORANDUM:

Mr. Harvie.

Re: Special Grant No. 2082.

By Letters Patent of date 18th March, 1909, certain lands were conveyed to St.Nicholas Greek Catholique Church at Buford, Alberta,

"TO HAVE AND TO HOLD the said lands unto the said The Saint Nicholas Greek Catholic Church of Buford, its successors and assigns, forever, in trust for the purposes of the Congregation of the Greek Catholic Church at Buford Mission aforesaid and to be devoted to public purposes within the meaning of paragraph "d" of Section Seventy-six of the said Act."

These lands are as follows:

Ten acres of the North West quarter of Section 34, Township 48, Range 1, West of the 5th Meridian.

As you are aware, at the request of the Department, inspections of all special grants for specific purposes are being made, with the result that in this case information has been submitted by Inspector Wyllie, under date 23rd October, 1929, to the effect that only two of the ten acres have been fenced and are being used as a cemetery. The other eight acres are wild; value $20.00 per acre; no buildings.

When the application for this site was received the whole quarter was vacant, and if any of this site is revested in the Crown it will be available for sale.

With the application was received an affidavit to the effect that a church would be built. This has not materialized.

Wherefore, inasmuch as two acres are probably sufficient for the cemetery as indicat by the fence, I would suggest that the grantees

requested.

requested to take steps to revest the eight acres not fenced in His Majesty King George the Fifth in the right of the Dominion of Canada by duplicate certificate of title free of encumbrance, registered in the Land Titles Office for the district in which this land is situated, without cost to the Department, a copy of such letter to go forward to the Agent of Dominion Lands, at Edmonton, Alberta.

Sir;-

I have the honour to inform you that the following receipts issued on the 29th ult;

Receipt No. 53518 in favour of W.H.Davis for the sum of $310.50 on account of the N.W.¼ of Section 36, Township 19, Range 2, West 5th Meridian.

Receipt No. 53519 in favour of Alvale Brown for the sum of $36.57 on account of the N.E.¼ of Section 19, Township 20, Range 1, West 5th Meridian.

Receipt No. 53520 in favour of Chas.C.Davis for the sum of $255.13 on account of the S.W.¼ of Section 30, Township 20, Range 1, West 5th Meridian.

Receipt No. 53521 in favour of C.C.Davis for the sum of $365.10 on account of the N.E.¼ of Section 20, Township 11, Range 23, West 4th Meridian, the S.E.¼ of Section 6, Township 14, Range 24, West 4th Meridian and the S.E.¼ of Section 18, Township 10, Range 27, West 4th making a total of $1487.30.

You will notice that the last three mentioned pieces of land are in the Lethbridge district, but from letters written from your Department Mr. Davis was instructed to pay the amount into this office.

It would appear that $1485.29 of the above amount was handed into this office in June last but was not shown in this office Cash book until the 29th ult. Mr. Brooks the Accountant in this office informs me that a draft on an American Bank in favour of Mr. Davis ~~was indorsed by him~~ and indorsed by him was handed to him in June last by the Agent with instructions to put it in his Cash box, as Mr. Brooks supposed simply for safe keeping and it has lain there until the 29th ult. When it came to my knowledge that this draft was being held in the

---

in the Cash box I had Mr. Davis locked up and enquired of him what the funds were for and how the amount was to be applied and also insisted on him furnishing me with local funds as the draft was drawn on a Loan & Mortgage Corporation in Chicago. Mr. Davis then furnished me with cash for the draft and also with information regarding the manner in which the amount was to be applied with the result that I was in a position to issue the receipts above mentioned.

I would ask that you advise this office how these amounts are to be applied and if owing to the circumstances the Department will waive the charging of interest up to the date of the issue of the receipts.

I am enclosing a copy of this letter to the Agent at Lethbridge as the last receipt issued effects land in his district.

Your obedient servant

(Sgd.) R.B.Matheson,

To the Honourable
The Minister of the Interior,
Ottawa.

Sir

We are instructed by Mr. J.L. Parker to apply for the right to purchase the south east quarter of Section 12, Township 7, Range 3, West of the 5th Meridian. This quarter-section, we are instructed, is liable for homestead entry but is hilly and unfit for any settler. There is no coal on the land in question but our client has coal mining rights in some of the neighbouring sections and desires to acquire the above quarter-section to get an approach to his coal lands. Our client would be willing to pay $3.00 per acre for the land in question, payable in the same manner as the coal lands.

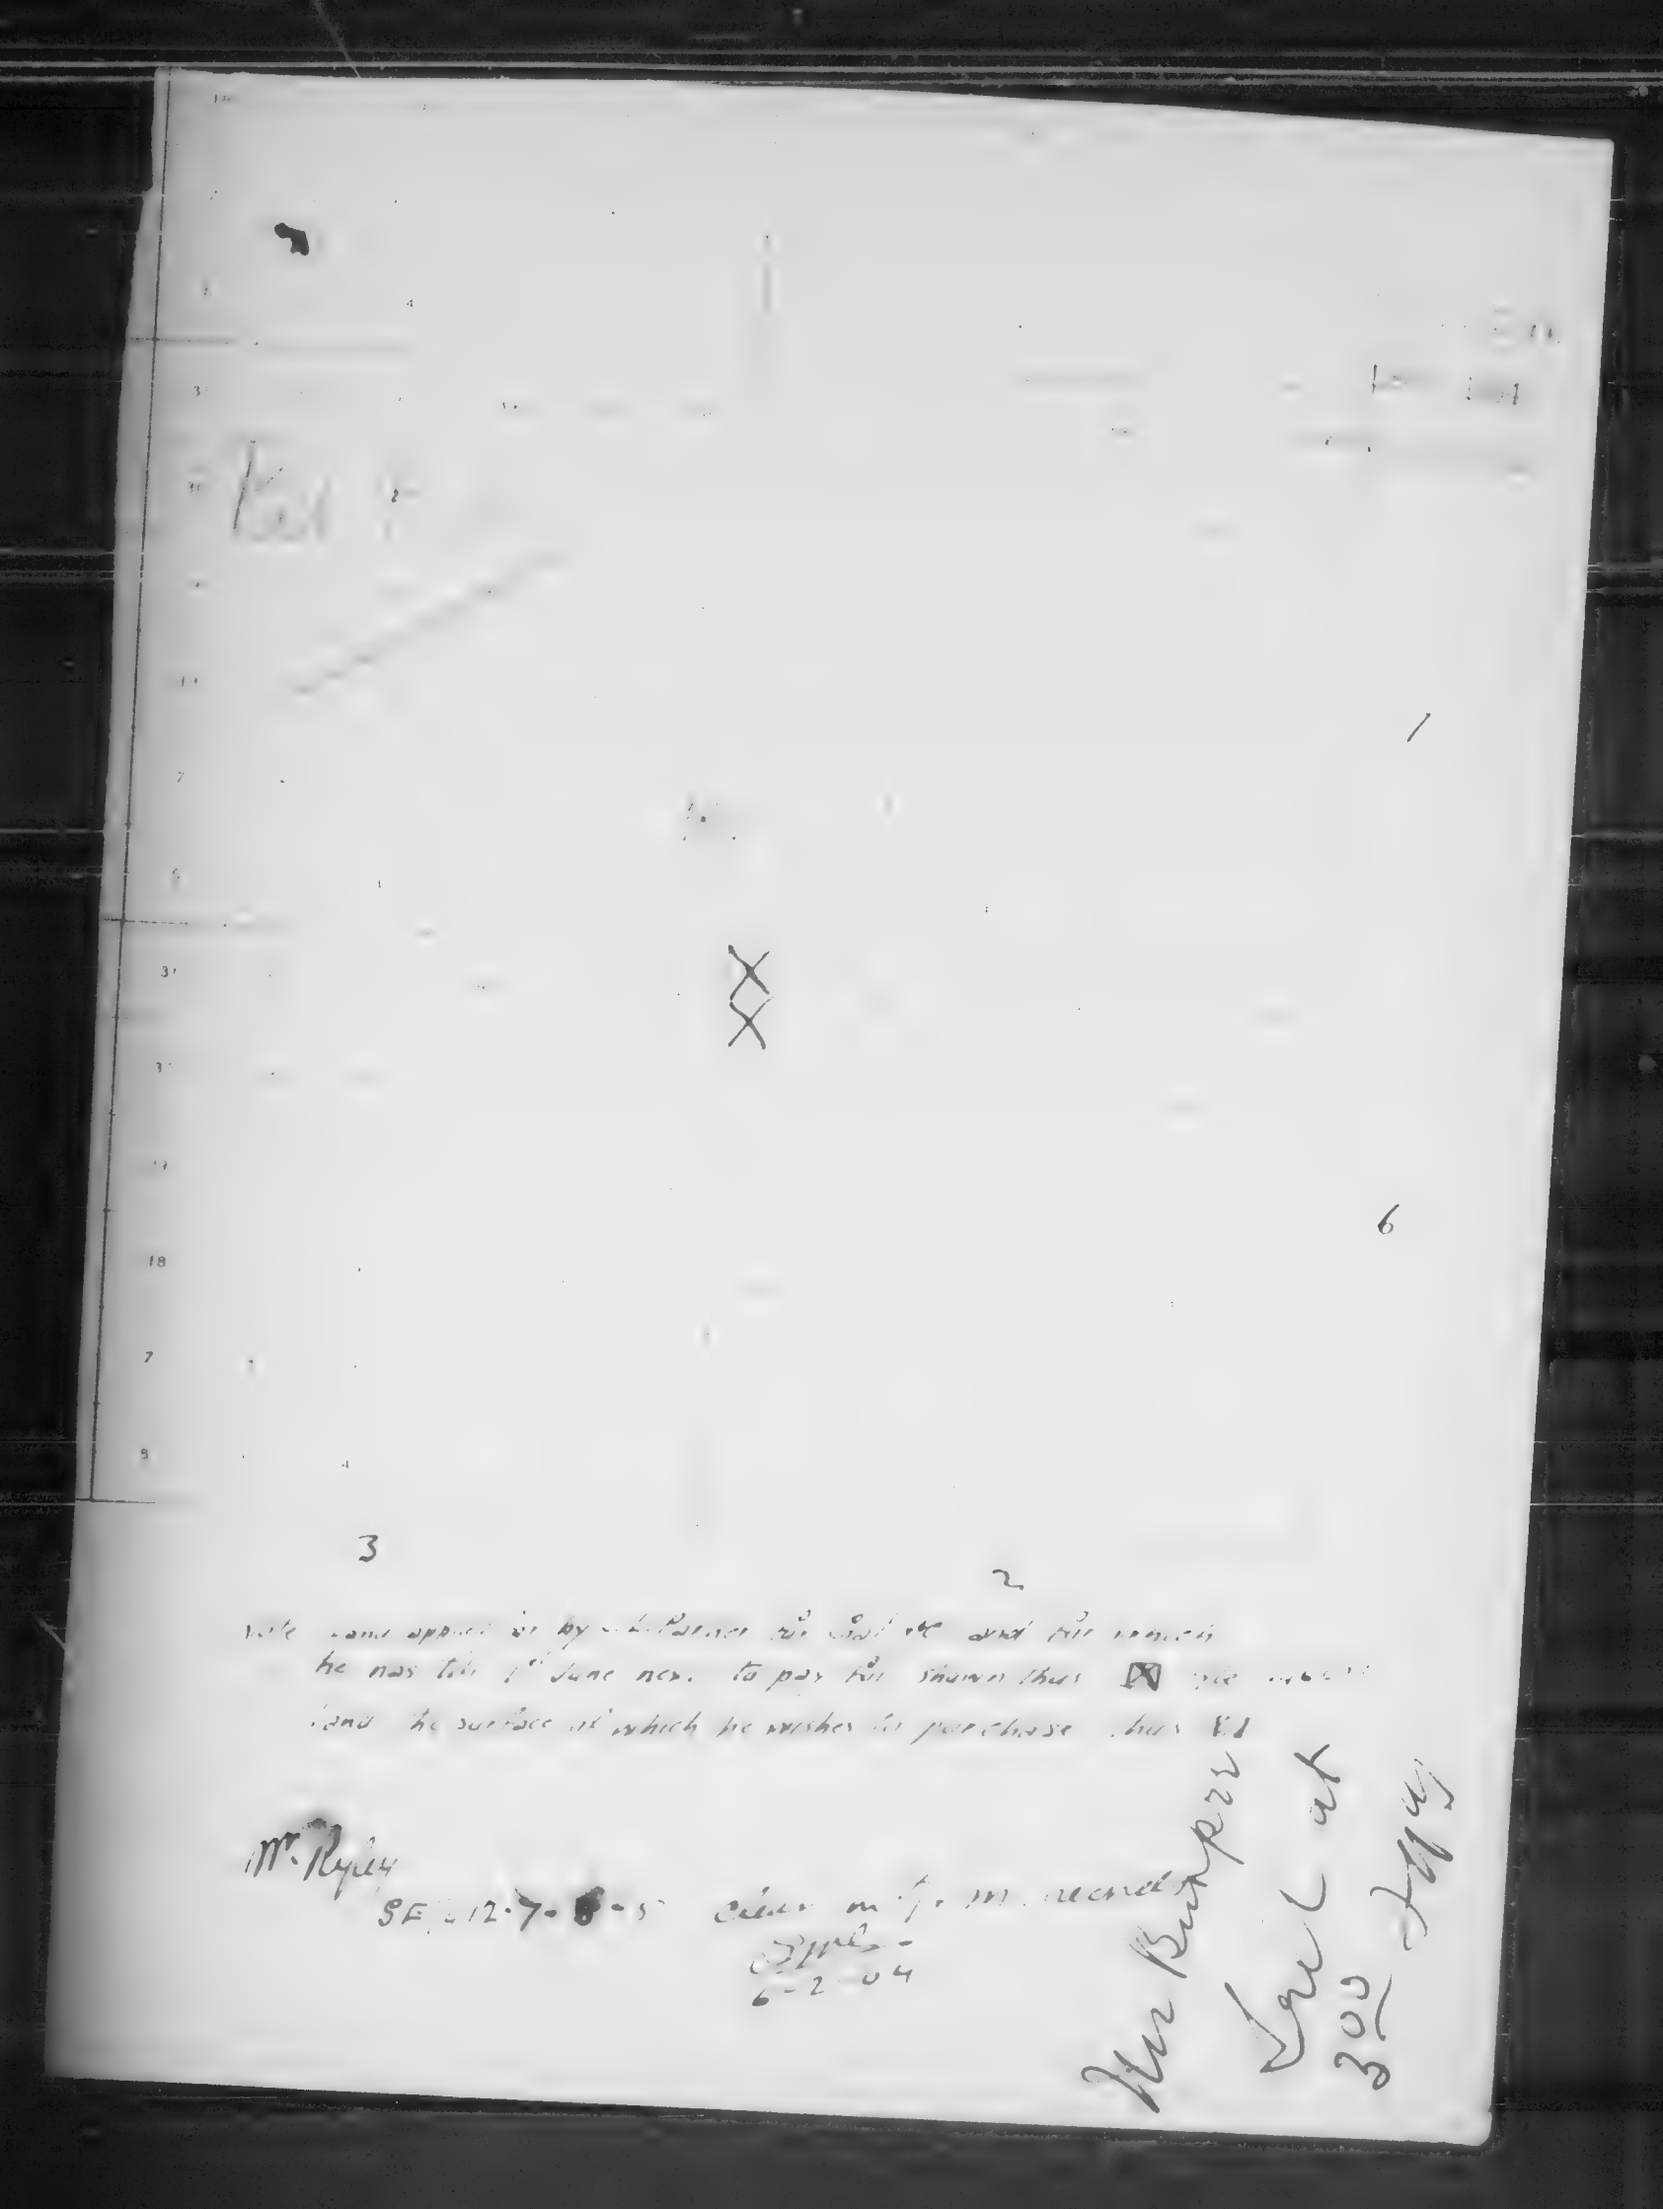

We beg therefore, request that this land be withdrawn from homestead entry and sold to our client.

We would be pleased to hear as soon as possible if this application can be granted.

We remain,

Ottawa, 16th November, 1910

Sir,

With reference to the statutory declaration to the effect that the writer, whose on the township plan, have encroached from the S.E., of section 21, township 33, range 1, west 4th meridian which you sent to this Department by the Agent of Dominion Lands at Edmonton, under cover of his letter of the 7th ultimo, Ref. No. 61, I am directed to say that the patent for the said land was issued according to the plan of survey, which was approved by the Surveyor General on the 15th May, 1907, on which under such quarter section is containing 161.0 acres, - not 151 acres as shown in your declaration and as shown on the previous plan of land.

Before any further action is taken in the matter, in accordance with the practice of this Department, a report will have to be obtained from a Homestead Inspector, who will have to ascertain from actual inspection whether or not that portion of the quarter section in question shown on the township plan of 1907 as covered by water has become permanently dry land.

A copy of this letter is being sent to the Agent of Dominion Lands at Edmonton in order that he may issue the necessary instructions to the Homestead Inspector.

The country to the south is very much broken the hills rising to about the highest point in the Porcupine, I am quite ff from extending in that direction while to the west the Mountains and more hills, and on the east by the Cypress Hills, with company and their associates and to the south of them a very broken and hilly country of little value. If I cannot acquire these lands it will mean my trying to get out of the stock business at a loss, and I do not think the country will be impelled if put upon as it will be, only a question of a few years before the grass is taken up, and the water settles will move on, signs of which are already showing in parts of southern Alberta even during very dry seasons, and as I know from 20 years actual farming experience

Dear Sir:

I write you to see if you will again use your influence with the Department by asking or recommending the withdrawal of the stockwatering reserve on SW 23, Tp. 19, Rge. 1 West 5th M. I will enclose plot showing that there can be no reason why this should now be held as such as all the lands for miles around are fenced and farmed.

I have written the C. P. R. Co. and have the information that when the stock watering reserve is withdrawn it can be dealt with.

Thanking you in anticipation that you will do what you can,

OFFICE OF INSPECTOR OF RANCHES

Calgary, th June, 1905.

Sir:-

I beg leave to enclose herewith a copy of a communication I have received from Mr. F. C. Rodell of Okotoks, Alta., which indicates that he has been in communication with the C. P. R. land department in reference to the purchase of the S. W. 1/4 of Section 23, Township 19, Range 1 West Fifth Meridian and he has been informed by them that they cannot deal with the land in question until the department withdraws its request to have it reserved for stock watering purposes. Mr. Albert Helmer, Assistant Inspector of Ranches, was over this ground a few days ago. He states that the land in that locality for many miles around is all fenced and there is no range stock running there and he considers the reserve no longer necessary. He also states that Tongue Creek which touches this quarter-section at one point, crosses and recrosses the road allowance between Sections 23 & 14, same Tp. and Range, thus allowing access to water for any stock travelling along the road. Under the circumstances I think this quarter-section is no longer necessary as a water reserve and would recommend that it be withdrawn.

Your obedient servant,

Inspector of Ranches

Secretary Department of the Interior,

Memorandum.

Mr. Goodeve:-

The letter of the 5th instant hereunder from the Inspector of Ranches. It appears that Mr. Thomas Nichol, of Moissevain, entered about a quarter of section 23, township 10, range 1, west Fifth Meridian, and on the 16th May, 1904, we told him that the Department had decided to withdraw it from the stock-watering reserve and that he should communicate with the Canadian Pacific Railway Company.

We also wrote Mr. H.L. Saunders on the 11th April last, to the same effect.

Mr. T.J.Cottell, of Snotoka, states that he also has applied to the Canadian Pacific Railway Company for the S.E. 1/4 and was told by them that it was a stock-watering reserve.

What we not, in view of what we have written to Messrs Nichol and Saunders, to write to the Canadian Pacific Railway Company giving them the names of applicants and to say that, as the Department has withdrawn the land from the reserve, their Company can now deal with it and advise the Inspector and Agent accordingly? Should not copies of our letters have been sent to the Agent?

BOARD ORDER NO. 10,842

Re: Henry Hobbs
W½ 18-8-25-4
Joint Relief Advance

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated December 7th, 1950, has been submitted to the Agricultural Relief Adjustment Board and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report be, and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultu...

Honourable E.C. ...
Provincial Treasurer, ...

BOARD
OF

November 9th, 1950.

Mr. J.W. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Henry Hobbs
W½ 18-8-25-4
Joint Relief Advance

On April 27th, 1922 the above party obtained a Joint Relief Advance through the former Municipal District of Bright #60 in the amount of $154.70, giving as security a lien on the title to the above land. No repayment has been made and including interest to December 31st, 1934 the total outstanding is $292.03.

The debtor has long since left this part of the Province and all trace of his present whereabouts has been lost.

The debtor was purchasing the above land from another individual and the owner did not give his consent for a Seed and Assistance lien to be placed on the title to his land. As the debtor lost all interest in this property it became necessary for the municipality to release the lien at the request of the owner.

As there is now no possibility of obtaining repayment under the personal covenant and as no security remains I would recommend that the balance outstanding be written off.

Provincial Seed Grain advances of $343.64 together with accrued interest have already been cancelled.

Yours very truly,

CHIEF COLLECTOR.

My Lord,

I have the honour by direction to acknowledge your letter of the 11th ultimo, No. 38, enclosing certain applications made on behalf of the Greek-Catholic Bishop thereof for mission grants.

With respect to the first parcel of land mentioned by you, namely, the S.E. 1/4 section 8, township 11, range 17 west fourth meridian, I am directed to say that there is at present another application for this land, which application cannot be dealt with until towards the close of the current month and, therefore, the consideration of the matter must for the present remain in abeyance. I am to add that in any case the Department would only grant one local subdivision of 40 acres in connection with any one mission, and that the township in which this land is situated has not yet been surveyed.

The other four applications mentioned in your letter will be dealt with in separate communications.

I have the honour to be,

Sir,

With reference to your letter of the 7th March last, No. 75586, enclosing the report of the Homestead Inspector upon Legal Sub-division 16 of Section 32, Township 58, Range 15 W.4th Meridian, which it is proposed to grant to the Methodist, [illegible] All the requirements [illegible], I beg to point out that the sworn Declaration of Rev. Woodsworth [illegible] Statutory declaration of the 30th December last, affirmed that a Church had been built, while Dr. C.W. Lawford, of Paris, in his letter of the 3rd September, 1904, stated that Mission buildings exceeding [illegible] $2000 had been erected.

It is observed that the Homestead Inspector reports a Mission House [illegible] $1000, used as a Dwelling, but a stable and out house $400. He states also that there is no Church on this land, but that there are two Lay teachers conducting a Free School. One of the most important regulations in connection with Mission Grants is the building of a Church on the land so granted, and this rule must be ~~adhered~~ adhered to in the present case. Please communicate with Dr. Woodsworth and Dr. Lawford.

Ottawa, 29th December, 1913.

Sir,

When making homestead entry for the N.W.¼ of 22--58--15, W. 4th M. Mr. S. Zerniewozan paid $50.00 as the value of the improvements thereon, this being the Homestead Inspector's valuation of 10 acres breaking. No mention was made by the Inspector of any buildings being upon this land.

When Mr. Petro Buchka, however, abandoned his entry for this quarter-section he stated there was an unfinished house thereon worth $15.00 and definite information is wanted on this point before finally disposing of Mr. Buchka's application for refund of the $35.00 paid by him while holding entry for the above described quarter-section.

Kindly give the Inspector the necessary instructions.

Assistant Secretary.

With reference to your File No. 860109 K and to the refund of $30.00, which you made to Mr. Mike Hepke on the 13th of September last, for the improvements on the N. placed thereon by the Inspector. This amount has been refunded to you.

The Department desires to draw your attention to the fact that at the time at least the improvements you made upon the land had deteriorated in value, owing no doubt to neglect, and were then worth only $30.00 and the Department does not consider that you are entitled to any further refund.

Sir,-

Referring to your letter of the 9th ultimo addressed to the local agent of Dominion Lands at Edmonton, who has sent it here, I beg to say that Mr. Petro Bucki secured homestead entry for the S. ½ of [illegible] of section 32, township 5[illegible], Range 15, West of the 4th meridian, on the 5th March, 1912. On the 24th July following the contested inspector visited the land and reported that the improvements you made upon the quarter-section were worth $105.00, and that if Mr. Bucki purchased the land you needed in order to enable you to sell you $155.00 for your improvements. It appears, however, that you took the crop off the land, and therefore, Mr. Bucki[illegible] only had to pay $105.00 for improvements.

Mr. [illegible] subsequently abandoned the quarter-section after having paid only $[illegible].00 for improvements, and the question is whether he is entitled to a refund of such $[illegible].00 is now under consideration.

On the 30th May last Mr. [illegible] made homestead entry for the land and he has paid $50.00 for the improvements, which was the value placed

Sir,

I beg to acknowledge receipt of your letter of the 20th ultimo, and in reply I am to say that squatting on Dominion Lands without authority is illegal, and any improvements made by such squatter is liable to confiscation.

It was as a matter of grace that the Department refunded to you on the 10th instant the sum of $[illegible], and on the 3rd of February a further sum of $[illegible] for the improvements which you made on the north west ¼ of Section 30, Township 33, Range 11, west of the 4th Meridian. These amounts are all that were then allowed for the said improvements, and represent the Commissioner's valuation at the time re-entry was granted. It will, therefore, be seen that you have been very fairly dealt with under the circumstances.

Encl. I am to warn you that you have no rights whatever in the land, and the entrant has the power to print action against any trespasser. A copy of this letter is being forwarded to the present entrant for his information.

Re: Account of John Webster
S.E. 4-36-25 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

The account with interest computed to July 31st, 1947, stood as follows:

Principal	Interest	Total
$97.50	$157.25	$254.75

Under date of August 27th, Mr. Earl E. Freeman, L.L.B., Barrister, etc., Innisfail, Alta., wrote as follows:

"I refer to a Seed Grain Lien against the S.E. 4-36-25 W. 4th Mer., for $97.50 with interest at 5% from the 27th of April 1915, registered as No. 4048 B.G. and 8445 C.P. in the Land Titles Office at Edmonton, Alberta.

I am advised that the amount required to pay off this old Lien to the 31st of July 1947 is $254.75. The estate is not in any too good shape financially and there are other debts.

Would the Department accept $175.00 in full settlement or an amount in that neighborhood. The Administrator would like to pay off all debts which is the reason for this letter."

After negotiations the sum of $175.00 has been received as settlement in full of the indebtedness. Under the circumstances this is considered equitable.

APPLICATION E. McCHAIN

Prue. S.E.¼ 7, 27, 1, W. 4th Mer., Crown on plan as lying south of Lake, containing 8.5 acres, bounded in red on sketch. Grant.

I beg to submit the application of Jacob Kycholchuk to purchase this parcel.

The applicant has furnished an abstract of title showing him to be the registered owner of the south half of section 7, this township, subject to an entry granted to M. Kasiancznik on a homestead in January, 1903.

You will observe from this report, however, that the Homestead Inspector does not recommend a sale to the applicant for the reason that the lake at this point does not appear to be a permanent body of water.

I might say that the portions of the said section 7 and the N.E.¼ and N.W.¼ of section 6, shown on the plan as covered by water, have been patented.

Under the circumstances, I presume that the applicant should be advised that the parcel is applied for sale.

Application of Onufry Kostiuk to acquire the formerly submerged portion of the S.W.¼ of 7--37--18, W. 4th M. shown on the sketch attached [illegible] area 14.4 acres.

The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

NOTE.—The Board does not desire to interfere with the ordinary homestead privilege of men who joined the Canadian Expeditionary Force in good faith and who have been discharged before reaching any of the actual seats of war for some valid reason, and who desire to obtain homestead entry within the tract reserved for Soldier Settlement. In all such cases, however, the Agent of Dominion Lands in accepting entry should particularly note that the man has not been discharged from the Forces by reason of misconduct.

N.B.—Men belonging to or discharged from Forces other than the Canadian Expeditionary Force are not eligible to secure homestead entry in the tract reserved for soldiers, unless they are also eligible for soldier grant under the Soldier Settlement Land Regulations.

For particulars as to who is entitled to a Soldier Grant see other side.

Mr. Onufry Kostiuk obtained homestead patent for the North East quarter of Section 7, and also obtained patent for that portion of the South East quarter shown on the sketch (marked) outlined in green, which parcel he was permitted to acquire in connection with his homestead.

Mr. Kostiuk made application to the Department to be permitted to purchase the balance of the dried up area in this quarter section which was not granted, but after consideration it was decided to allow him to purchase the accrued dried up area in the northerly 10 chains of Legal Subdivision 6 and the northerly 15 chains in Legal Subdivision 7, comprising 24.40 acres, and the Agent of Dominion Lands, Edmonton, was instructed to post for soldier settlement purposes the balance of the quarter section.

Instead of posting the available portion the Agent posted the South half of the South East quarter only and granted homestead entry therefor to Mr. Eyre Cherniuk on the 24th March last.

The question of the disposition of the balance was referred to the Land Patents Branch that being from where the instructions had been issued, and further instructions were sent to our Agent to post the smaller portion still undisposed of. Instead of posting the fractional portion the Agent has reposted the South half of the South East quarter which is covered by Mr. Cherniuk's homestead entry, and it would seem that the logical disposition of ~~this land~~ would be to add same to Mr. Cherniuk's homestead ~~entry~~ instead of posting this small portion for settlement, and I would suggest that this action be taken. The Agent has been instructed by wire to withdraw the posting notice and reserve the land pending further instructions.
